CHRIS KING PRO

FRONTEND DEVELOPER & CREATIVE TECHNOLOGIST

kuzojean80@gmail.com · GitHub / LinkedIn / Portfolio linked below · Available for freelance & full-time roles

ABOUT

A developer focused on building interactive and modern web experiences — from full-stack applications to small browser experiments. Philosophy: build it, break it, understand it, improve it.

SKILLS

Frontend	React, JavaScript, TypeScript, Tailwind CSS, Next.js, HTML/CSS
Backend	PHP, Laravel, REST APIs, MySQL
Creative / Motion	Three.js, WebGL, GSAP, Framer Motion, Lenis
UI / UX Tools	Figma, Illustrator, Photoshop

SELECTED PROJECTS

Chris King Music
Interactive music discovery & sharing platform.

React · PHP · Laravel · MySQL

InstaX
Social platform with feeds, profiles and real-time interaction.

React · Laravel · MySQL

Isoko
Marketplace connecting buyers and sellers with secure transactions.

React · PHP · MySQL

Library Management System
